WELCOME ADDRESS

Dear Colleagues, Madams and Sirs,

We are honored to invite you to the "International Symposium - ECHOCARDIOGRAPHY AT THE TURN OF MILLENNIUM" which will be held in Zagreb, June 23-24, 2001.

Invited speakers are the world known experts in echocardiography from Austria, USA, Italy, Macedonia, Slovakia, Bosnia and Herzegovina, Slovenia and Croatia.

The aim of the Symposium is the presentation of current possibilities and future perspectives of 2D, 3D, Doppler, Stress Echo, Contrast Echo and Transesophageal Echo at the beginning of the 3rd millennium.

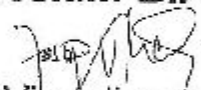

We sincerely believe that every one of you will find a narrower field of interest within the main themes of the Symposium, and that all the participants will be granted the opportunity of new knowledge.
